Finding the entrance to Real

This is what Jack Dash House looks like from Marsh Wall.

Please don't use the doors at this end - they're for staff only. Instead, go to the entrance on the side of the building, down Lawn House Close:

If you arrive between 9am and 5pm then the door will open automatically.

The building's reception is on your left once inside the door.

Real's reception is down the corridor on the left, past the building reception.
